SAID IN CYPRESS

By Newsy

Want more potpourri? Here goes. Dale said to say something nice about Kerwin Hoover, who is author of "Hometown news" over KFI. The only thing we can think of to say about him at all is that he now broadcasts his program on Sunday morning at 11:30, and we are usually you know where. Dale and I judge the success of our newspaper stories on whether or not they find their way to Kerwin's broadcasts. Nobody has reported hearing a Cypress story since we took over as editor in January, which points to a new low in accomplishment. We have to reach up to touch bottom!

When the John Warrick's sixth baby boy was born on April 27, he was long overdue according to calculations and required some time spent in an oxygen tent. Even when he was brought home, his color was not normal, due to a lack of oxygen, the doctor said. Naturally, the newest member of the family was eagerly awaited by the older youngsters, who were anxious for a peek. When Bruce (third from the top) looked away from the little bundle which was baby, his small face became clouded and he turned doubtfully to his father. "Daddy, we didn't order no little nigger baby!"

How many times have you heard people make the remark that they didn't care to plant bulbs or flowers, because they lived in a "rented" place, or have been guilty of such a remark ourselves? Not long ago someone countered that if everyone shared this opinion, yards would be barren indeed when moving into a new place. We'd never given this angle much thought, and can see now that the more that is planted, the more there'll be for the next lucky tenant. The whole idea resolves into a pleasant cycle.

The M. R. Gregg's are having a lot of fun announcing an "addition" to the family. It develops that they have adopted two young geese, which are noisy enough to be classed as "watch dogs".

Society Meets At Ferguson's

The Garnet Howard chapter of the Women's Foreign Missionary society met Monday in the home of Mrs. Leon Ferguson, 8741 Hoffman st. for its monthly meeting.

The following officers were installed by Rev. Howard to serve for the year 1952-53. Mrs. Preston Allen, chairman; Mrs. Walter Allen, vice-chairman; Mrs. Dave Bock, secretary; Mrs. Hal Shirey, treasurer; Mrs. Wm. Howard, supt. of study; Mrs. Jeff Davis, supt. of publicity.

Those planning to attend the District W.F.M.S. Convention at San Bernardino May 21 are Mrs. Jeff Davis, delegate, Mrs. Walter Allen, Mrs. Melvin Callahan, Mrs. Norville Chapman, Mrs. Ferguson. The society gathered in the home of Mrs. Hal Shirey to roll bandages for the Leprosy Hospital in Swaziland, Africa, Thursday May 15 at 9:30 a.m.

Harold Corby Dies In Kansas

Mr. and Mrs. Elmer V. Corby received word Saturday of the serious illness of their son, Harold Corby of Stafford, Kansas. They left for the midwest on the train Saturday evening, but their son died before they arrived.

Mrs. Paul Breneman of Bakersfield and Mrs. John Boyd of Cypress, took the train Monday evening to join their parents and attend funeral services for their brother.

P.T.A. Closes Year's Meets

Climaxing a successful year of P.T.A. meetings, the kindergartners literally "stole the show" at Thursday night's final for the year. Under the direction of their instructors, Miss Kearney Luers and Mrs. Mary Kirk, the beginners went through their paces like veterans. Capably directing their activities and handling emcee duties was little Jacqueline Wilson. The flag salute was led by tiny Lynn Bock.

Contrasting with the small fry was the first appearance of the Anaheim-Cypress Mothersingers' chorus. Under the direction of Mrs. Marilyn Mason of Anaheim, the group presented a medley of old-time favorites.

Girls in the sixth, seventh and eighth grades delighted the audience with a full-fledged style show. Modeled by the students themselves, the articles of wearing apparel shown were garments made in the sewing classes which are supervised by Mrs. Arline Schiller.

On a stage beautifully arranged with a white wooden archway surrounded by potted greenery from Larry Kirk's nursery, Doris Simmons, back-stage production manager introduced Ruby Tsujoka who described the costume being worn and introduced the model.

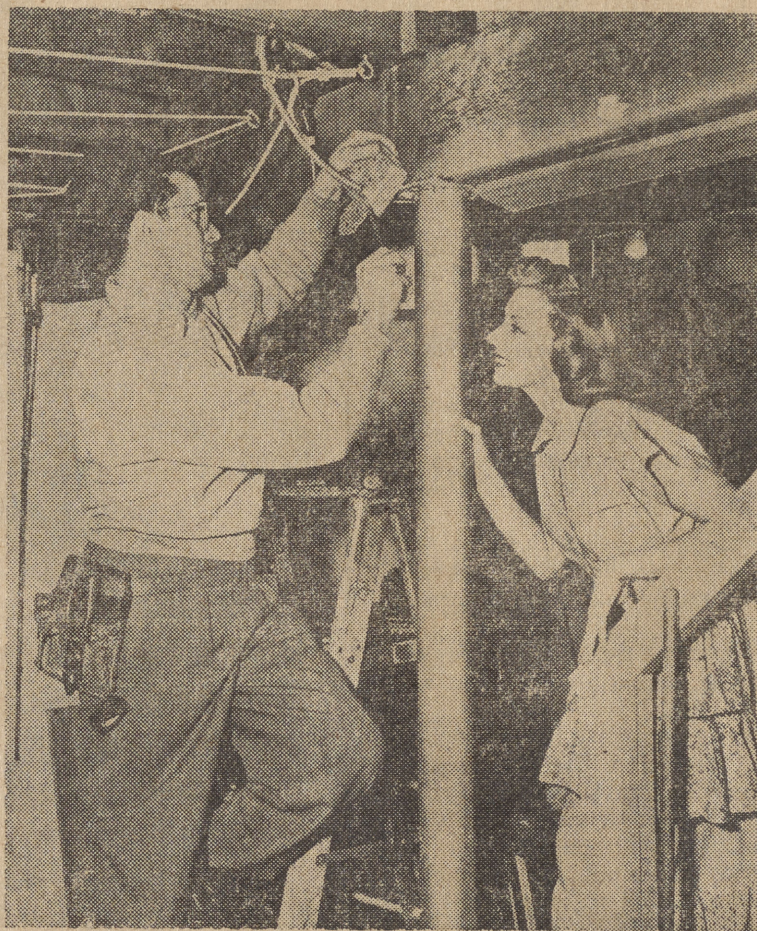

Room count prizes for the final meeting went to Miss Luers, Mrs. Kathleen Kenney and Thomas Lorenzini. Mrs. Keith Giles, newly installed president, presided.

Mothers who have children in kindergarten brought the evening to a close when they served the large audience cake and coffee in the utility room.

INSTALL OFFICERS OF COUNTY COUNCIL

E. C. Livingston, representative for the Butler Building construction company explained to members of the C. R. Rogers Memorial VFW post at its last meeting a little of his company's product. He also showed pictures. The organization is considering purchase of a building for a meeting place.

Members from the Cypress unit who will serve on the Orange County council for the coming year, included E. E. "Skip" Goodman, adjutant; H. J. G. "Happy" Kreissler, post advocate; Charles Sanders, trustee; Ray Lucas, guard and Lee Shear County Council inspector. Kreissler is retiring county commander. The new officers were installed at a recent meeting in Anaheim.

STOP FIRE! SAVE LIVES! This housewife shows the way to home fire safety. Instead of the home handyman tampering with electrical equipment, she has called in an expert electrician to install a new overhead switch box. Unlike rubbish which collects and becomes a visual annoyance, electrical faults don't show until suddenly a painful shock or a flash of fire warns you that something's wrong. Use Clean-up week this week to have electric cords and appliances replaced or repaired!

Cypress Boy Is Honored

Robert Van Dyke, son of Mr. and Mrs. Jake Van Dyke and a senior at Anaheim Union high school, won one of the highest awards in Future Farmer of America activities last week. He was given the State Farmer degree at a state awards banquet held in San Luis Obispo, being among the twelve who received the honor from southern California. Another Anaheim student, Carroll Coykendall, also met requirements for the much-prized degree. Not more than 1% of the state membership is admitted.

Attending the banquet from Cypress were Stanley Spicer, president of the Anaheim chapter and regional sentinel and Miss Ada Laverne Stanley, State Future Homemakers president.

Future Farmers Entertain At Kiwanis Club

Four Anaheim high school Future Farmers of America, all of them from Cypress, entertained the Cypress Kiwanis club Monday night with talks about their work in the FFA.

Appearing with two of their teachers, Avon Carlson and Lee Hanson of the AUHS vocational Agriculture department, were Kennon Laird, Roger Burrows, Robert Van Dyke and Stanley Spicer. Spicer is the local chapter president of FFA.

The boys each told about a different aspect of their work in the organization. Ralph Thomas, chairman of the local Kiwanis agriculture committee, was program chairman.

Rebekah Show At School Tonite

Last call for the Variety Show in the Cypress school auditorium tonight. Sponsored by the Rebekah Busy Bee lodge in its efforts to raise a tidy sum to present to the Cypress Volunteer Fire department in their purchase of a rescue wagon, the show will be jam-packed with good entertainment.

Students from three schools will be presented, the Bellflower Conservatory of Music, Val Moore's Dancing school and Sybil Ring's Dance studio. Several from Cypress will participate, as well as Nolan Blackman, who will sing between acts.

On Saturday evening, May 24, the lodge will sponsor a square dance in the fire hall, second of their money-making events. A real waltz contest, with three prizes, will be a feature. There will also be old-time round dances.

Girl Scouts Give Banquet For Mothers

Mothers were honored by Brownie and Girl Scout troops at a mother-daughter affair in the school utility room Friday evening. About 160 were present for the pot luck, with each troop being responsible for its own arrangements. Each mother was given a corsage and a gift, made by their daughters during crafts sessions.

At eight o'clock, Dads were invited to join at the Court of Awards. Troop 63, fourth grade Brownies, became scouts in a "fly-up" ceremony. Guests were Mrs. Norbet de Kook of Anaheim, and Miss Elizabeth Dickerson, school superintendent.

Hold Sad Rites For Rogers Lad

Classmates in Savanna school attended funeral services Wednesday in a body at Bellflower for 13-year old William Perry Rogers, Jr. The lad, who died Saturday as he was being rushed by ambulance to Los Angeles County General hospital, would have been graduated from the elementary school in June. The Rev. Jack Tutor of Cypress Baptist church, conducted the services.

Death was believed to have been caused from infection in a foot injured earlier in the week. The student came to school on Friday to take a constitution test, according to Wayne Butterbaugh, school superintendent, but was taken home when it was seen that he was too ill to stay.

The son of Mr. and Mrs. William Perry Rogers, 9541 Holder road, the deceased is also survived by two brothers, Dallas LeRoy and Howard Ulysses, and his grandfather, LeRoy Wilber of New Bedford, Massachusetts, where the youth was born.

Rabid Dog Picked Up In This Area

A rabid dog, owned by Arnold Gort who lives at 17520 Marquardt st., Artesia, was picked up by Los Angeles county health department officials on May 9 and died two days later, May 11. The dog was described as a silver-black Husky.

From May 5 until May 9, the dog had been running loose. Dr. Bowers, Orange county veterinarian, states that during that time the rabid dog was known to have bitten a dog owned by John de Jong, who lives on Walker street near Cypress. The de Jong dog is being held at the Orange county animal shelter where it will be under observation, probably for sixty days, for development of rabies.

Dr. Bowers is anxious for information from anyone who may have seen the rabid Husky at any time between May 5 and May 9. He says that because of the many dairies in the vicinity, it is possible that the Husky may have infected one or more dairy cows, which are also susceptible to the dread disease.

Anyone who may have seen a dog meeting the description of the rabid dog is asked to call Kimberly 3-6252. Someone from the animal shelter will pick up dogs which may have come in contact with the Husky.

New Officers For I.O.O.F

Cypress I.O.O.F Lodge No. 77 at its Tuesday night's meeting nominated the following candidates to fill offices for the last six months of 1952.

G. M. Milbourn, noble grand; John Thomas, vice-grand; Lewis Cleveland, secretary; Burt Kroesen, treasurer and Karl Beason, trustee for 18 months.

Harry Mansperger, the incoming district deputy, was a guest. The meeting was held in Milbourn's home on Orange ave.

SUCH IS LIFE

The following literary lament was received by an Oakland publication. What it says may not be new but very true.

"Dear Sir: In reply to your request to send a check I wish to inform you that the present condition of my bank account makes it almost impossible. My shattered financial condition is due to federal laws, state laws, city laws, county laws, mother-in-laws, brother-in-laws and outlaws.

"Through these laws I am compelled to pay a business tax, amusement tax, school tax, gas tax, sales tax, liquor tax, tobacco tax, income tax, poll tax, excise tax and thumb tax. Even my brains are taxed.

I am overtaxed and am required to get a business license, car license, hunting license, fishing license, truck license, marriage license and dog license.

"My business is so governed that it is not easy for me to find out who owns it. I am inspected, disrespected, rejected, examined, re-examined, informed, misinformed, required, summoned, commanded, demanded and compelled until I provide an inexhaustible supply of money for every known need of the human race.

"Simply because I refuse to donate to something or other, I am a miser, but if I give liberally I'm doing it for show. If I die young the world has lost a jewel, but if I live to a ripe old age I'm robbing the grave.

"I can tell you honestly that except for a miracle I could not enclose this check. The wolf at my door just had pups. I sold them and here is the money."

—Calif. Commentator

I RISE TO REMARK

By JOHN PHILLIPS

These have been full days. I think I shall have to take a week-end off, and catch up on my sleep. When the routine work of the subcommittee ends, we start to mop up the accumulating work of our offices, interrupted by special subcommittee meetings, as the agencies and departments begin to come to the Hill with requests for supplemental or deficiency appropriations. Spending money is an endless job, for the government.

It evidences the impossibility of any idea like the "package budget" which is popular with some of my colleagues and with some tax-conscious groups.

There is no such thing. Even the year we tried to work out a single budget bill, we put through a half dozen supplemental bills which completely threw the idea out of gear. The proposal of Senator McClellan to set up a Joint Committee to study and analyze the bud-

get constantly, on behalf of the Congress, which means on behalf of the taxpayers, is a much more intelligent approach. I support that.

* * *

I bring down, from Haverford College, ten of the senior students in the class in government. They are here for three days and they meet their Senators and their Representatives, and have a chance to observe government in action and to see if it looks like the process of government they read about in the text books.

It is a "project" of the Washington Alumni, and I get a lot of help from other Haverfordians, many of whom are in key positions in this city. It is interesting to observe too, the number of Californians in Washington, in positions of responsibility. One is a fine group of young men, each year, and the visit gives me a lift.

* * *

Did you have to read Alexis de Tocqueville's "Democracy in America" when you were in school? I'll have to admit I haven't thought much about it for more years than I like to remember. Something reminded me the other day of his comment which, if I recall cor-

IT COULD HAPPEN HERE!

in a period of American history, to which we are too close for us to realize its importance, but to which historians will look back, years from now, and try to analyze how we thought and why we did what we are now doing. I am just as glad that I shall not be here to see the verdict. If you want a few days interesting reading, ask the Library for the Knof edition of de Tocqueville.

* * *

Mornings, afternoons and evenings, together with lunch and often dinner periods are so filled, as we push to the hope of adjournment on July 3rd, that we are now moving into the breakfast area. I heard a good joke at one yesterday morning. I think it came originally from a Chicago Tribune columnist. The comment was that the Democrats were confused, among their several candidates for the presidency. Senator Kerr is running against Hoover; Senator McMahon is running against Stalin; Senator Kefauver is running against sin, and Vice President Barkley is running against time.

The Republicans are confused too!

Last week was the time when

* * *

After deciding to come home the second week in May, I now am told that the Interior Appropriations committee, in the Senate, will have the Coachella matter up on the 9th, and that the 13th is set for Indian bills, in the House Interior committee. I think I shall have to shove my visit over to the last week in May.

The Speaker

That title, which has belonged to Sam L. Collins during the past twelve sessions of the Legislature is more than just a title. It is proof of his leadership in state government.

That proof is supported by other proofs. He is a member of the Board of Regents, University of California, and the State Board of Public Works. He is vice-chairman of the Legislature's new Joint Interim Committee to study future highway development. He is a member of the Joint Interim Committee on Agriculture.

Speaker Collins' strong position in state government means that Orange County has a strong position in state government. Let us stay strong.

Elect

POLITICAL ADVERTISEMENT

McFadden Urged To Quit And Back Faulkner

Edward Faulkner

Supervisor McFadden's published campaign advertisements now make it evident to all that the time has come to request his withdrawal as a candidate and to suggest that he logically should support my candidacy for Supervisor from the Third District.

The advertisements themselves make this clear. In them, he sets forth correctly the duties of a Supervisor and outlines his own background as a candidate for the office. But the highly significant point is the complete absence of any reference to his record in the office these past four years.

The advertisements state, with deadly import, that he is "past" this and "past" that. Go over the entire list of activities mentioned and you will find that his entire active career is laid far in the past and there is no present record to report.

Since there is a very important and exacting job to be done during these next four years by the Supervisor from the Third District, this invitation is extended to Mr. McFadden to withdraw as a candidate and support the candidate who is fitted to cope with modern conditions and problems.

Let it be said in all kindness that voters and taxpayers of the Third District should not be expected to retain a Supervisor whose useful career, by his own statement, ended some 15 years ago.

It seems then to be quite in order to invite Mr. McFadden to support my candidacy for Supervisor, for these reasons:

I am young enough, yet mature enough, with 20 years business experience, to successfully handle the new problems of today's complex economy. I am prepared to administer the office of Supervisor aggressively, with open mind, and no political, business or social obligations, except to the public.

It is true that there is much criticism of Mr. McFadden's administration on other grounds. His unfulfilled campaign pledges of four years ago, made merely for votes, are remembered by a disappointed constituency. His delegation of his duties to local rulers in various communities when he should be handling these duties himself, if he is able, is both unsound and unpopular. His obligations to a few lifelong friends and his sensitivity to group pressure prevent him from making impartial decisions.

But this request to Mr. McFadden to withdraw as a candidate and support my candidacy for Supervisor is not based upon what others are saying. It is based simply upon what Mr. McFadden says himself, in effect, in his advertisements. The advertisements say that his useful career is long past.

These advertisements are large and numerous. They reveal that a heavy sum is being expended to return Mr. McFadden to office.

SATURDAY DANCES CONTINUE

With the Melody Sisters furnishing excellent music, a dance will be held on Saturday night from 9 a.m. to 1 a.m. in the parish hall of the Catholic Church of St. Pius V.

Sponsored by the Cattlemen's Committee, with George Teixeira as chairman, the dances are open to the public with a nominal charge of 50 cents per adult. The dances are being held weekly. Attractive door prizes are offered. The proceeds are used for the building fund of the church. The dances will be held each Saturday night.

FULL GOSPEL CHURCHES TO HOLD MASS RALLY

Orange county Full Gospel churches will hold a combined mass rally in the Anaheim Union high school auditorium Friday evening, May 16, at 7:30 o'clock.

The Rev W. J. Roberts, of the Family hour broadcast, will tell of his recent experiences and show pictures of the head hunter tribe of the Orient. Music will be furnished by a combined youth choir and 60-piece orchestra.

And they tell more than they are intended to tell. The tell what Mr. McFadden should have done as a Supervisor, but they tell nothing that he has done.

I am assuming that Mr. McFadden is sincerely interested in seeing that the Third District receives the best possible service. The test of his sincerity, the proof that he unselfishly wants the best for his district, would be his withdrawal as a candidate and his backing for the candidate who has the youth, vigor and vision to carry on strongly.

When you pay your telephone bill, about 28 cents of each dollar goes for taxes.

How much tax in your telephone bill?

When you pay your telephone bill each month, an important part of your money is passed on in taxes to the Federal Government and to state, county and city governments. Naturally, we expect to contribute our fair share of the cost of government... but because taxes now account for such a large portion of the cost of service, we feel we should report about them to you who, as telephone customers, have to pay them.

Your telephone is taxed in two ways: One, through the operating taxes we pay to run the business—income taxes, property taxes and the like. In 1951 these came to \$81 million for Pacific Telephone, an all-time high. Two, by Federal excise levies you pay on local and long distance service. Last year we collected more than \$70 million in excise taxes from our customers and turned it over to the Bureau of Internal Revenue.

To give you some idea of the size of our tax bill, it is estimated that the total excise and operating taxes we paid in 1951...\$152 million... could have supported all the 131 schools of higher education in California. In terms of the average telephone, this is \$35 per telephone per year...\$2.92 per month. Twenty years ago the average was 53 cents a month.

Your telephone is one of today's best bargains

In spite of sharp increases in taxes, wages, materials and other costs of providing service, we've been able to hold down the prices you pay for service...hold them so low, in fact, that the telephone today is one of the best buys in any budget.

Mrs. M. Jones
Holds Club

Mrs. Murton Jones was hostess to twenty-three members of the Cypress Women's community club at her home Tuesday afternoon. Mrs. Wesley Kroeze was a guest. Mrs. Jones was assisted by Mrs. C. E. Swain and Mrs. Wayne Rallings. The trio served a delicious dessert luncheon prior to the business meeting.

Mrs. Milam Williams paid tribute to Mrs. Sarah E. Miller, beloved member of the club, who passed away. She concluded with a poem, "She is just away."

Besides the profit of about \$275 from the box supper sponsored by the club, sum of \$7.10 was reported from the breakfast held at Mrs. Ed Robinson's and \$5.31 at Mrs. Arthur Collins'. Mrs. Helen Broadbelt won the mystery prize.

A gift from the club was given to Mrs. Russell Flynn for her daughter and son-in-law, Mr. and

Mrs. Russell Noe, whose marriage last summer was announced recently. His mother, Mrs. Frank Noe, is also a member of the club.

Mrs. Jake Van Dyke, 5252 Orange ave., will be assisted at next month's meeting by Mrs. Noe and Mrs. H. J. G. Kreissler.

A lifetime resident and respected citizen of your district,

With over forty years of active participation in civic affairs of Orange County,

Ralph McFadden is now completing four years of honest and faithful service in this important county office.

His qualifications and ability to serve your district have been proven by his record.

His experience in this office is an asset that cannot be replaced by one who is a newcomer with little known qualifications and little proven experience in civic and government affairs of your district and county.

Protect yourself and your property, reelect

RALPH J. McFADDEN,

YOUR SUPERVISOR

Primary Election, June 3, 1952

(McFadden For Supervisor Committee—W. J. Phillips, Chairman)

Name Players On Girls' Team

Cypress will again have an entry in the Orange Empire girls softball league. The team this year will be managed by Howard "Cap" Boch. The girls have been practicing since the 15th of April and are beginning to show promise of being pennant contenders.

Pitching assignments will be taken care of by two capable newcomers to the team, Vevah Gail Bodkins, and Vera Villa. Last year veterans Allison Wheeler, Ruth

Harris, and Jo Ann Shipman, anchor the infield and have been working smoothly as a unit. Darleen Nielsen and Ruth Simpson will share catching duties.

Two first year girls, Barbara Messer, and Susann Zwarts, both power hitters, will divide time between second base and the outfield. The other outfield positions will be taken care of by Cornelia Dykstra, Joyce Huckabee, Myra Simpson, Janice Gerber, Rosetta Smith, Shirley Brisbin, Robert Raub, Mable Gage, Judy Green, Virginia King, Zoe Mitchell, Georgia Jackson, and Marna Boch. Margaret Gravley will be team secretary, with little Sara Lynne Boch, team mascot.

Cypress Team Wins Softball Game With Stars

The Cypress Merchants shutout the newly formed Church All-Stars, 6-0, in the latter's first City American League game Tuesday night.

Cypress hurler Tom Ritchie ruled the diamond through his tight one-hit pitching which allowed only three Stars to reach first base. He struck out 14 alien batters, and the safety by John Herrera in the third and two walks accounted for the men who reached base.

Richie proved himself as adept with the stick as with the ball and banded out three hits in four trips as did Herb (Red) Hamilton.

Auxiliary Plans Memorial Day Activities

Mrs. H. J. G. Kreissler will chairmen the sale of poppies this year, annual project of the VFW and its auxiliary, for Memorial Day. Mrs. Leon Sewell and Mrs. Charles Daniel will enlist the aid of local Girl Scouts. They will be asked to contact the homes near where they live. Besides individual sales by members and scouts, a street sale is planned again this year.

When the auxiliary to the C. R. Rogers Memorial VFW post met, Mrs. Castella Rogers presided in the place of the president, Mrs. E. E. Goodman. The meeting hour has been changed to 7:30 o'clock instead of eight as has been the custom in the past. It was decided to accept invitations from Laguna Beach and Westminster posts to participate in their Memorial Day services.

Mrs. Rogers, Mrs. William Cowen and Mrs. Merle Jennings, refreshment committee for May, served at the close of the business meeting.

Pvt. Richard M. Johnson is now at Fort Belvoir, Virginia, where he is attending officers' training school. His mother has heard from him since his arrival there. It is expected he will remain three months.

Mr. and Mrs. Milton Parker and children, former manor residents now of San Diego, visited here last Sunday. He is awaiting a call with the merchant marines.
